To reach our goal, the remaining balance breaks down to approximately $300 per family. We understand completely that many members may not be able to donate at this suggested level. If it is outside your current means, please do not feel any pressure to overextend yourself—we deeply appreciate and welcome any level of support you can offer. Conversely, those who have the capacity to give more are humbly encouraged to do so.

All donors will be recognized in the Temple newsletter, unless they state that their donation is anonymous. For those who wish to pledge monthly, please use a copy of this form to help you with your donation records. We sincerely appreciate your participation in this once in a lifetime restoration.
